JUMPING WITH STYLE – ARENA EVENTING

NSEA JwS Rules (as follows)

1. This competition is run on the lines of B.E JAS competitions. The main difference is that the emphasis is more on the rider's **style and effectiveness**, and the **harmony between horse and rider** at school level. The style mark for the horse does not apply in Schools' Competitions, so the horse's ability has less influence in the marks.

Class 1 70cm Riders 13 & under on 1st Jan 2012

Class 2 80cm – **Open to riders who have not competed at BE novice or higher**

Class 3 90cm - **Open to all except horse/rider combinations that have competed at BE**

JRN Champs, Junior or Pony Final Trials & Champs

Class 4 1m-1.05m – Open to all

Championships – all courses will be raised 5cm at the Championships.

2. The competition begins with a show jumping round started by a bell. The rider completes the show jumping section, then passes through the timing beam into the x.c. phase, which has an optimum time, and completes the x.c. phase. The show jumping **is not against the clock**. This all takes place in one arena.

3. The winner will be the person / team with the fewest penalties once the following have been added together:

- s.j. jumping penalties

- x.c. jumping penalties

- x.c. time penalties

- overall style penalties (awarded for both s.j & x.c phases)

4. Style mark – for horse/rider combination, including the position and effectiveness of the rider, with the ability to show a difference between the s.j and x.c phase, through their style of riding. This will be judged by an accredited trainer or an elite rider.

5. The aim of the competition is to achieve the fewest penalties from the total of the four components – sj penalties, xc penalties, style and x.c speed (as close to the optimum time as possible).

Some x.c. fences have a knock down top rail. If this is knocked down, 4 penalties will be added to the penalty score.

XC colours to be worn – incl body protector & skull cap to comply with BE Rules.

Hats may be tagged by BE or Pony Club.
