### Points Leagues

P1) The location of the school is irrelevant, teams can accrue points at any competition listed on the NSEA website but, the points gained, will be applied to the league table for the region in which they were gained. That is, points gained at a competition held in one region, for example North East, cannot be used in the points league of another region, for example South West.

P2) Individual points leagues will run in areas where there is a demand for them. We are currently running an individual points league in the North East region.

P3) For the Individual Points league, the combination of horse & rider will accrue points. Therefore, if a rider competes on more than one horse, they will gain points on each horse separately in the relevant league table.

P4) If you do not wish your child's name to appear in the results, you must contact us immediately.
